

| TRAINING CALENDAR FOR THE YEAR 2018-19 | | | | |
|---|--|--------------------------------|-----------------------------|-------------------|
| S.No. | Title of the Programme | Participants | Period | No.of Days |
| JUNE .2018 | | | | |
| 1 | Computer in office administration | Asst/ Jr. Asst/Steno/Typist | 13.06.2018 to 15.06.2018 | 3 |
| 2 | Documentation of good practices | AE/JE | 19.06.2018 to 20.06.2018 | 2 |
| 3 | Layout, design, installation and maintenance aspects of MIS and use of GPS tools | AE/JE | 27.06.2018 to 29.06.2018 | 3 |
| JULY. 2018 | | | | |
| 4 | Green energy techniques/ Solar energy for micro irrigation and value addition | AE/JE | 04.07.2018 to 06.07.2018 | 3 |
| 5 | Post Harvest Technologies and Value Addition machineries for important cerials, pulses, fruits and vegetables. | AE/JE | 10.07.2018 to 12.07.2018 | 3 |
| 6 | Documentation of good practices | AEE | 17.7.2018 to 18.7.18 | 2 |
| 7 | Soil conservation and water harvesting techniques (Soil properties / Rain fall/runoff/catchment/selection of structures/ location and design/ connstruction practices/evaluation of performance) | AE/JE | 24.07.2018 to 27.07.2018 | 4 |
| AUGUST. 2018 | | | | |
| 8 | Post Harvest Technologies and Value Addition machineries for important cerials, pulses, fruits and vegetables. | AE/JE | 01.08.2018 to 03.08.2018 | 3 |
| 9 | Layout, design, installation and maintenance aspects of MIS and use of GPS tools | AE/JE | 07.08.2018 to 09.08.2018 | 3 |

| TRAINING CALENDAR FOR THE YEAR 2018-19 | | | | |
|---|---|--------------------|--------------------------|------------|
| S.No. | Title of the Programme | Participants | Period | No.of Days |
| 10 | Soil conservation and water harvesting techniques (Soil properties / Rain fall/runoff/catchment/selection of structures/ location and design/ construction practices/evaluation of performance) | AE/JE | 28.08.2018 to 31.08.2018 | 4 |
| SEPTEMBER. 2018 | | | | |
| 11 | Documentation of good practices | AE/JE | 04.09.2018 to 05.09.2018 | 2 |
| 12 | Salient features of scrutiny of estimates, tendering, Execution of agreements, Completion reports, reporting and documentation | SDO/DO/ JDO/ ADMan | 10.09.2019 to 12.09.2019 | 3 |
| 13 | Post Harvest Technologies and Value Addition machineries for important cereals, pulses, fruits and vegetables. | AE/JE | 18.09.2018 to 20.09.2018 | 3 |
| 14 | Layout, design, installation and maintenance aspects of MIS and use of GPS tools | AE/JE | 25.09.2018 to 27.09.2018 | 3 |
| OCTOBER. 2018 | | | | |
| 15 | Green energy techniques/ Solar energy for micro irrigation and value addition | AE/JE | 03.10.2018 to 05.10.2018 | 3 |
| 16 | Layout, design, installation and maintenance aspects of MIS and use of GPS tools | AE/JE | 09.10.2018 to 11.10.2018 | 3 |

| TRAINING CALENDAR FOR THE YEAR 2018-19 | | | | |
|---|--|--------------|--------------------------------|------------|
| S.No. | Title of the Programme | Participants | Period | No.of Days |
| 17 | Office administration | Suptd/Asst | 24.10.2018 to 26.10.2018 | 3 |
| 18 | Post Harvest Technologies and Value Addition machineries for important cerials, pulses, fruits and vegetables. | AE/JE | 29.10.2018 to 31.10.2018 | 3 |

| TRAINING CALENDAR FOR THE YEAR 2018-19 | | | | |
|---|--|--|--------------------------------|------------|
| S.No. | Title of the Programme | Participants | Period | No.of Days |
| NOVEMBER. 2018 | | | | |
| 19 | Concepts and design aspects of farm structures (Fencing, roads, buildings, wells, irrigation nnetwork, Poly house,Mist chamber,Green housing, Irrigation automation) | AE/JE | 13.11.2018 to 16.11.2018 | 4 |
| 20 | Operation and maintenance of LD machineries - All types of machineries and implements. | AEF/AAEF/STD/ JTD/TC | 27.11.2018 to 29.11.2018 | 3 |
| DECEMBER. 2018 | | | | |
| 21 | Operation And Maintenance of Minor Irrigation Machinery | Driller/ Asst.Driller/ Drill Supervisor/ Air Compressor Driver/ Rock Drill Operator | 04.12.2018 to 06.12.2018 | 3 |
| 22 | Soil conservation and water harvesting techniques (Soil properties / Rain fall/runoff/catchment/selection of structures/ location and design/ conmstruction practices/evaluation of performance) | AE/JE | 11.12.2018 to 14.12.2018 | 4 |
| 23 | Layout, design, installation and maintenance aspects of MIS and use of GPS tools | AE/JE | 18.12.2018 to 20.12.2018 | 3 |
| JANUARY. 2019 | | | | |
| 24 | Salient features of scrutiny of estimates, tendering, Execution nof agreements, Completion reports, reporting and documentation | SDO/DO/ JDO/ ADMan | 02.01.2019 to 04.01.2019 | 3 |

| TRAINING CALENDAR FOR THE YEAR 2018-19 | | | | |
|---|---|--------------|--------------------------------|------------|
| S.No. | Title of the Programme | Participants | Period | No.of Days |
| 25 | Concepts and design aspects of farm structures (Fencing, roads, buildings, wells, irrigation nnetwork, Poly house,Mist chamber,Green housing, Irrigation automation) | AE/JE | 21.01.2019 to 24.1.2019 | 4 |
| FEBRUARY . 2019 | | | | |
| 26 | Green energy techniques/ Solar energy for micro irrigation and value addition | AE/JE | 04.02.2019 to 06.02.2019 | 3 |
| Total Training Days : | | Total Days | | 80 |

Executive Engineer(AE)
AETC , Trichy
